

Legacy Ranch

Team Penning & Barrel Racing

Friday Nights 6:00 pm

\$\$ Jackpot \$\$

Welcome to Legacy Ranch. Team Penning has been labeled the fastest growing equine sport in the nation. Anyone can participate. It does not take a special horse, nor does it take great riding ability to compete. All that matters is that two team mates cut out and drive their head of assigned cattle to the pen , faster than any other team. It makes no difference if you are young or old, male or female, a novice or a professional . There is room for everyone in the team penning arena.
